

Directions from Prineville to OSP

We have had some trouble in the past with local hunters removing our signs, so if you follow the miles listed exactly, you will find OSP without any problem.

Travel east out of Prineville on State Highway #26.

GPS = $44^{\circ} 18' 13'' \times -120^{\circ} 48' 31'' = 44^{\circ} 18.2131' \times -120^{\circ} 48.5185' = 44.303551^{\circ} \times -120.808641^{\circ}$
(Start) Zero your trip meter at the Forest Service Headquarters at the east end of town. Stay on Hwy 26 eastbound for approximately 14 miles.
